

Animal Salt

VOLHARD METHOD

At Hartley Salt, we understand that healthy livestock starts with the right minerals. Our Animal Salt is specially formulated to support the dietary needs of cattle, sheep, goats, and other farm animals. Rich in essential sodium and trace elements, it promotes hydration, improves feed efficiency, and supports overall vitality.

- **Pure & Safe – Sourced from premium sea salt, sterilized and refined for consistent quality**
- **Versatile Use – Ideal for free-access licking blocks, feed mixing, or direct supplementation**
- **Regionally Relevant – Trusted by farmers across Africa and the Middle East for its reliability and performance**
- **Custom Packaging – Available in bulk or tailored formats to suit your farm's needs**

Whether you're raising livestock for dairy, meat, or wool, Hartley's Animal Salt is your partner in sustainable animal care.
