2700 - 3400 PPM

At Hartley Salt, we bring purity to your pool. Our high-grade Pool Salt is specially formulated for use in saltwater chlorination systems, ensuring safe, sparkling water with minimal maintenance. Sourced from pristine solar evaporation ponds and refined to meet international standards, our pool salt guarantees:

- **99 %+ purity for optimal chlorinator performance**
- **Fast-dissolving granules for even distribution**
- **Low residue and anti-caking for cleaner filtration**
- **Eco-friendly and non-toxic—safe for swimmers and the planet**

Available in 25kg bags, our Pool Salt is trusted by residential users, commercial pool operators, and hospitality venues across the Middle East and Africa.
